

GDPR Compliance Statement

Sterisets International B.V., including all its subsidiaries (hereinafter collectively referred to as “Sterisets” or “the Company”), hereby declares its compliance with the General Data Protection Regulation (EU) 2016/679 (GDPR).

Sterisets is committed to:

- Ensuring the highest standards of data protection and privacy for all personal data handled, collected, stored, and processed as part of its operational activities.
- Implementing comprehensive technical and organizational measures to safeguard personal data against unauthorized access, disclosure, alteration, or destruction.
- Collecting and processing personal data only for clearly defined and legitimate purposes, ensuring that data collection is transparent, lawful, and limited strictly to what is necessary.
- Maintaining data accuracy and integrity, providing data subjects with the ability to access, rectify, erase, restrict processing, and exercise their rights in accordance with GDPR provisions.
- Providing ongoing training and awareness programs for staff to ensure understanding, awareness, and adherence to data protection obligations.
- Regularly reviewing and updating data protection policies, practices, and security measures to reflect evolving best practices, regulatory changes, and technological advancements.
- Ensuring robust processes are in place for incident response, breach notifications, and cooperation with supervisory authorities when required.
- Complying with data subject requests within applicable timelines, ensuring efficient handling and documentation of such requests.
- Transferring personal data internationally only in compliance with GDPR standards, ensuring that adequate safeguards are in place.

Sterisets confirms that any third-party service providers or partners are vetted thoroughly and required contractually to adhere to GDPR and all related privacy standards.
